Shire Nomads Walking Group

Free walks programme for the over 55's

Progressive walks are up to 5 miles & up to 3 hours

The walks are a mixture of town and country routes and are aimed at advanced walkers who would enjoy meeting likeminded people and to get fitter through walking

Hello and Welcome

Shire Nomads Walking Group Programme

If you are looking to join a fun, friendly group of social walkers, our group is for you.

All of our walks are:

- * FREE to attend, unless otherwise stated
- * Set at a moderate pace and cover a distance of up to 5 miles
- * Led by fully trained walk leaders

The walking group is aimed at people aged 55+ and the walks are suitable for anyone able to walk for up to 5 miles – 3 hours mostly without stopping.

The aim is to walk for up to 3 hours at a reasonable pace and cover between 4-5 miles. The walks are varied with some local and others further afield. We like to stop for tea/coffee at a café during or after walks when possible. **Please bring money for refreshments and travel costs.**
